

WHITE BOUTIQUE
UNIFORM FACTORY

WE CREATE THE ELEGANCE AND DISTINCTION YOU DESERVE.

ABOUT US

We are White Boutique Uniform LLC, established in 2014, specializing in manufacturing various types and designs of workwear for companies. We are committed to providing exceptional, distinctive, and high-quality products that meet the needs and satisfaction of our customers. With years of experience and dedication in our field, we offer customized solutions to meet our customers' unique clothing requirements.

WHITE BOUTIQUE
UNIFORM FACTORY

OUR SPECIALTY

What sets us apart is our insightful vision and the artistic skills we possess in designing and manufacturing clothing. We pay attention to the finest details and ensure the use of high-quality materials and advanced production technology to guarantee the superiority of our products in terms of durability and performance.

OUR MESSAGE

To be a leading and innovative company in the field of workwear manufacturing, and to contribute to promoting professionalism and confidence in the work environment. We aim to achieve this by offering products that combine quality and unique designs.

OUR GOAL

To be one of the largest and best national factories in the field of workwear manufacturing, with distinctive, modern, and innovative designs to meet the requirements of all sectors in the local and regional markets. We strive to enhance our position as a leading company in the field of workwear manufacturing and provide added value to our customers and the community

OUR VALUES

DESIGN AND ELEGANCE

We aim to provide work wear that combines practical performance and elegance, giving customers a professional and attractive look in the workplace.

CUSTOMER SATISFACTION

Customer satisfaction is a primary goal for us, and we work diligently to achieve it by providing exceptional and dedicated customer service.

HIGH-QUALITY PRODUCTS

We strive diligently to achieve the highest quality standards in every product we manufacture.

INNOVATION AND DEVELOPMENT

We strive for innovation in our designs and production techniques to offer new and innovative products that meet the changing market needs.

We provide manufacturing and supply services for corporate uniforms to various large companies and institutions across a wide range of industries. We can meet the uniform needs of companies in the following sectors and more:

- **Large corporations**
- **Healthcare sector**
- **Public and government services sector**
- **Tourism and hospitality sector**
- **Aviation and air transportation sector**
- **Education sector**

LARGE COMPANIES

We offer an exceptional range of specially designed clothing to suit the requirements of companies in various sectors. These clothes are designed to reflect the values of work and the brand identity of the organizations involved. The clothing is characterized by comprehensive development to meet the needs of diverse departments in the industrial or large corporate environment.

HEALTHCARE SECTOR

It is essential for the healthcare sector to have a variety of clothing and uniforms to represent different departments in medical institutions. Surgeons, doctors, nurses, pharmacy teams, and all healthcare professionals should be distinguished through the diversity of their attire. We, at White Boutique UniForm, design and distribute all types of clothing, including uniforms for doctors, nurses, technicians, surgical wear, patient gowns, and emergency medical services vests.

THE PRIVATE SECTOR, GOVERNMENT AND FACTORIES.

We offer specialized workwear for the private sector, government, factories, and industrial facilities. This includes , heat-resistant clothing, chemical- resistant clothing, electrically-resistant clothing, and other specialized protective attire. We are known for providing high-quality and effective clothing that meets our customers' needs. Our products are distinguished by stylish design and providing protection and comfort in diverse work environments. We constantly strive to achieve customer satisfaction through innovation and attention to the finest details.

HOSPITALITY SECTOR

When it comes to the hospitality sector, our services primarily cover workwear for restaurants, resorts, and hotels. From security guards to waitstaff, diversity in materials and design is clearly evident to reflect the professional work culture in the establishment. White Boutique Uniform works to meet these diverse needs to establish a customized standard in your organization within the tourism and hospitality sector.

AVIATION SECTOR

White Boutique Uniform offers a unique range of aviation clothing in the United Arab Emirates. Our diverse collection includes uniforms for flight attendants, supervisors, technicians, pilots, and all personnel involved in aviation operations, airport security staff, airport assistants, and more. Our professional team provides consultation services to design the most beautiful and exquisite clothing for airline companies. This, in itself, can be a distinguishing factor for the brand in the exclusive transportation services they offer.

EDUCATION SECTOR

We provide customized workwear for educational institutions, universities, and institutes. This includes academic clothing and uniforms for students, teachers, and staff in the education field. We manufacture a wide range of clothing, including formal suits, shirts, blouses, trousers, skirts, vests, and coats. Our clothing is characterized by high quality.

We also offer sports clothing suitable for students and sports teams in schools and universities. This includes shirts, athletic shorts, t-shirts, blouses, and sports shoes.

THE TYPES OF CLOTHING **WE MANUFACTURE**

FORMAL SUITS

We offer a diverse collection of formal suits that add a professional and elegant touch. We provide a tailored formal suit manufacturing service, selecting high-quality fabrics, precise cutting and tailoring, and printing and embroidery services to add logos and custom designs.

SPORTSWEAR

We offer sportswear that combines high performance with outstanding design. Our collection includes clothing suitable for sports exercises, such as technical shirts, sports shorts, sports skirts, and sports vests. We focus on providing clothing that allows free movement and good ventilation to enhance athletes' performance.

WORK SHOES

We offer a variety of high-quality work shoes that meet safety and performance requirements in different work environments. These shoes include features such as protection against shocks, electricity, slipping, and oils, and they are available in different styles and designs to suit various work needs.

EMPLOYEE AND CORPORATE TEAM CLOTHING

We design and manufacture custom clothing for companies, institutions, and corporate teams. Our collection includes formal uniform shirts, custom vests, and polo shirts. We work with clients to understand their unique needs and design clothing that reflects their identity while providing comfort and professionalism.

We take pride in providing a comprehensive range of work accessories that complement workwear and ensure protection and safety for workers.

PROTECTIVE HELMETS

We manufacture high-quality protective helmets that provide protection against shocks and impacts in hazardous work environments. They feature a strong and lightweight design, offering comfort and protection for workers during their tasks.

WORK SCARF

We offer specially designed work scarves to provide protection and comfort for the neck, face, and head. These scarves are made from high-quality materials and provide protection against dust, debris, chemicals, and harsh weather conditions.

PROTECTIVE GLOVES

We offer a variety of protective gloves to suit the needs of employees, including customizable gloves to protect hands from injuries, wounds, and chemicals. Different styles are available, such as cut-resistant gloves, heat-resistant gloves, and electrically insulated gloves.

PROTECTIVE GLASSES

We manufacture protective glasses designed to provide eye protection from chemicals and ultraviolet rays. They feature a comfortable design and clear lenses to enhance visibility and safety in work environments.

PRODUCTION CAPACITY

We focus on efficiency, quality, and innovation in our production processes to achieve the highest levels of production capacity. **We manufacture 250 pieces per hour**, relying on an exceptional and qualified team with the necessary experience to execute operations with precision. Our team consists of 80 employees working on 55 different machines, specializing in embroidery, sewing, cutting, printing, and manufacturing. We excel in meeting our customers' needs.

QUANTITY

We design and manufacture the quantity that suits you and that you desire.

PRICES

Our prices are competitive to suit everyone and depend on the quantity and materials used.

COLOURS

We take pride in offering all the distinctive and rare colors in our product range.

MEASUREMENTS

We manufacture fabrics in the sizes desired by the customer.

FABRICS

All types of fabrics are available with us.
